

# Unicorns & Puppies

## Overview

### Unicorns are Magic!

Everyone has uh-oh moments, but guess what?! You have **magic unicorns!** Use your magic unicorns to help your friends, and as a reward, you get to rescue puppies!

## Objective

### A Cooperative Game

You and your friends will work together to solve each others' problems and try to completely fill your homes with puppies and unicorns. The more full they are at the end of the game, the better you have done.

## Game Play

Look around at your friends' problems. Pick one and tell your friend how your magic unicorn will solve their problem. Then give them a unicorn, and the Uh Oh! card goes away!

What was the shape on that Uh Oh! card? That's the size of puppy you get to adopt. Choose your puppy and fit it into your home.

When the game ends, the more full your homes are, the better you've done!
